Message from the Club Team

Dear Parent/Carers,

I would like to take this opportunity to express our thanks for your continued support. I want to emphasize that having the children brought to the gate at home times has made a significant difference in our staffing arrangements. It ensures that the playground is adequately supervised at all times, thereby promoting a safe and enjoyable environment for all children.

I want to remind you that club sign-ups are about to start. You will be required to sign your child/children up for clubs for the Summer Term.

If your child is already attending a club, you will be required to re-register for the summer term. Your child will not automatically have a space because they attended in the spring term.

A text message will be sent when the clubs are available on parent pay. This should be during the last week of term.

Could we ask that any outstanding amounts be cleared by the end of term. Many thanks.

Thank you for your cooperation and understanding. We look forward to an exciting and sunny term!!
Sharon & The Club Team.
